

**NOTICE OF FINAL DECISION**  
Woodland Meadows North Landfill  
Hazardous Waste Landfill Postclosure Operating License  
September 28, 2018

On September 28, 2018, the Michigan Department of Environmental Quality (DEQ) issued a Hazardous Waste Management Facility Postclosure Operating License (License) Renewal for the Woodland Meadows North Landfill pursuant to Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. The License specifies the continued postclosure care and monitoring requirements for the hazardous waste landfill facility located at 4620 Hannan Road, Wayne, Michigan. The License is valid for a period of 10 years but will be re-evaluated in 5 years for any necessary changes.

The DEQ conducted a public participation process and received comments on the draft license. The full *Response to Comments*, which includes the summary of changes to the draft license, is available online or upon request to Ms. Christine Matlock at the telephone number below. The materials online may be reviewed at [www.michigan.gov/deq](http://www.michigan.gov/deq) (Waste, Hazardous Waste, Hazardous Waste and Liquid Industrial By-Products Management, "Woodland Meadows North Landfill Hazardous Waste Management Facility Post-Closure Operating License Renewal Information" under Hazardous Waste Facility Operating Licenses)
